## 1L/2L SUMMER ASSOCIATE PROGRAMS

Our 1L and 2L Programs offer a nine- to ten-week clerkship (varies by city) that offer the opportunity to gain hands-on experience in the daily life of a Haynes Boone attorney. Summer Associates attend meetings, depositions, court hearings, and more to gain experience as a lawyer at Haynes Boone. They are paired with supervising partners and associate mentors that will work with them every day throughout the summer, and they will gain substantive skills and legal insight by attending regular practice group meetings where legal training is provided.

Law students with an interest in Intellectual Property have a unique opportunity to join Haynes Boone as a Summer Associate in our Intellectual Property Department. This opportunity is for candidates with an academic background or relevant work experience in engineering, computer science, or physics. Students with an IP focus applying to join Haynes Boone's summer program will have the opportunity to join our IP Transactional and IP Litigation practices and work with our attorney's on projects during their clerkships.

To apply for all opportunities, please include a copy of your resume, undergraduate transcripts (IP candidates only), law school transcripts (when available), and cover letter in the online application. Our 1L application will open on November 1, 2024, and our 2L application will open on June 1, 2025.

#### ANDREA LEVENSON

“My experience as a Haynes Boone Summer Associate adequately prepared me for life as an associate. I was able to build meaningful professional relationships, work on substantive projects, and work with a variety of practice groups. The summer program was a great blend of social events and actual attorney work. Both of my summers at the firm allowed me to experience the firm’s culture and provided me with enough leeway to see which practice area I was most interested in.”

#### DOMINIQUE BALDWIN

“As an IP Summer Associate at Haynes Boone, I worked on exciting, substantive patent matters. ## DALLAS FAST TRACK 1L PROGRAM

The Dallas Fast Track Program consists of two long weekends that are the ideal complement to other summer plans and provides the opportunity to familiarize candidates with the Dallas legal market, our practice groups, and our lawyers. Students who participate will learn more about our firm through various panel presentations, have opportunities to network with attorneys, and work on a substantive project. In addition to these hands-on experiences, students accepted into Weekend 1 and Weekend 2 will have all their living, travel, and meal expenses paid for during the long weekends. These students will have the opportunity to be considered for our Dallas 2L Summer Program the following year.

**Weekend 1: Saturday, April 5 - Sunday April 6**

**Weekend 2: Saturday, June 21 - Sunday June 22**

**Participating Office:** Dallas

“Being a Texas native, Haynes Boone was a firm that I identified early in my law school career as a destination that I wanted to explore and Fast Track provided me the perfect chance to achieve that. In the recruitment process, it is difficult to decipher what separates each firm from one another but Fast Track gives 1Ls the chance to not read about what makes Haynes Boone different but to experience it. Fast Track is truly an amazing and unique opportunity for 1Ls that cannot be imitated or found elsewhere. It truly represents what separates Haynes Boone from the rest.”

**ETHAN MOORE**

2022 Fast Tracker | University of Chicago

“Fast Track gave me confidence that I was choosing the firm and practice groups that were right for me. The program introduces participants to nearly every practice that the firm offers and the attorneys they will work with as 2Ls and beyond. Unlike a traditional callback, Fast Track allows law students to experience a big law firm’s culture, people, and resources on a deeper level. By the end of the program, participants know what sets Haynes Boone apart and how the firm sets its attorneys up for success.”

**WILSON MILLER**

2019 Fast Tracker | University of Virginia

“It is so hard to get a sense of the culture of a firm just through a few short interviews. The Fast Track program allows you to get to know and experience the truly unique culture of Haynes Boone, which is what genuinely sets our firm apart, and no other firms have a program of this type. The culture and the people are why I remain at the firm 16 years after my Fast Track experience, and I can say that Fast Track is what brought me to the firm in the first place.”

**LINDSEY HUGHES**

2008 Fast Tracker | The University of Texas at Austin

## NEW YORK FAST TRACK 1L PROGRAM

The New York Fast Track Program is a three-day clerkship program that is an ideal complement to other summer plans. This program is designed to provide first-year law school students the opportunity to become familiar with Haynes Boone's New York office, our lawyers, and our practice groups. Students participating in this program will learn more about our firm through various panel presentations, have opportunities to network with attorneys, and work on a substantive project. In addition to these hands-on experiences, students accepted into this program will have all their living, travel, and meal expenses paid for during the three-day program. These students will have an opportunity to be considered for our New York 2L Summer Program the following year.

**Friday, May 30 - Sunday, June 1**

**Participating Office:** New York

“Participating in the Haynes Boone Fast Track Program was one of the highlights of my law school recruiting experience. It’s easy for a law firm to talk about firm culture and values throughout the interview process, but Haynes Boone opened their doors to us and showed us exactly what their culture is all about. I was amazed to see the dozens of attorneys who took time out of their weekends to make us feel welcome at the firm. In such a short span of time, I was able to build meaningful connections with the recruitment team and attorneys, ranging from associates to partners. As a native New Yorker, I was drawn to the way the firm integrated their Texas roots and values into the fast-paced New York environment. After such an incredible Fast Track experience, I knew that Haynes Boone was the perfect firm for my 2L summer.”

**NIKOLETTE DUESEVIC**

2024 Fast Tracker | Villanova University

“The weekend spent at Haynes Boone was especially memorable because the attorneys and staff were what set my first image of big law life and New York City. The fact that the attorneys and the staff took valuable time out of their weekends to get to know the Fast Trackers showed the people-centric culture at the firm. I am so thankful for the opportunity to get to know the firm and the city better. I really could not have asked for a better way to spend my first days in New York City.”

“I am very grateful to have been selected to be a Haynes Boone 1L Diversity Scholar. As a 1L scholar, I was given diverse projects in a variety of practice groups throughout the summer. This allowed me to get a better picture of the day-to-day work of each group, and helped me narrow down the practice areas I was interested in. It was really encouraging to see how committed the firm is to diversity and inclusion and to hear about the future goals of Haynes Boone.”

### CHELSEI VIAL

2018 Summer Associate | University of Texas at Austin  
Dallas

“The 1L summer associate program at Haynes Boone gave me a comprehensive view of the people at the firm and what my experience might be like as a first-year associate. I got substantive work from attorneys and I was made to feel like my contributions mattered. The program also had fun social activities that allowed me to get to know other summers, associates, and partners at HB. The Management Presentation week in Dallas was also a special highlight – I was able to recognize how well the firm’s offices around the country and the world come together to form a whole. That sense of community and the people that make it up is what brought me back for my 2L summer.”

### ANGEL RENDON

2020 Summer Associate | Fordham University  
New York

“My summer at Haynes Boone’s Washington, D.C. office was an extremely rewarding experience. I received a plethora of assignments that challenged my research abilities and critical thinking skills in a wide range of subject matters. I also enjoyed the fact that I was able to be involved in a pro bono matter where I received direct contact with the client. In addition to the steady flow of assignments, my time at Haynes Boone was full of social events that gave me the opportunity to network with attorneys from across the firm. Overall, I thoroughly enjoyed my experience at HB and I am glad that I decided to return for my 2L summer!”
