London Training Recruitment

The London office of Haynes Boone is fully committed to providing high-quality training and support to our trainees. We will provide four seats of training in the contentious group and the non-contentious group. Trainees in those seats will work with different teams across the range of the firm's practice areas within the relevant group during each seat. Practical training will be given with plenty of support and feedback.

Offers for our 2029 Training Contract will be made from our Summer Vacation Scheme running 28 June – 16 July 2027. Applications for a place on the Scheme open on 2 November 2026 with a deadline of 10 January 2027.
