Who We Are

Haynes and Boone's Healthcare, Life Sciences and Pharmaceuticals Practice Groups work with clients across all sectors of the diverse healthcare industry to address their legal needs, including business transactions, regulatory compliance, government investigations, and patent litigation and counseling.

Our Philosophy

At Haynes and Boone, we believe experience and creativity are key qualities for success in the constantly changing legal landscape of life sciences, pharmaceuticals, and healthcare. Often the best result comes from collaboration of lawyers with varied experience who together provide the right combination of knowledge and ideas for your business. Our philosophy is to use teamwork to provide our clients with innovative options to the legal opportunities in their business.

Our Experience

Our lawyers have experience in the following areas.

- Accountable Care Organizations (ACOs)
- Biotechnology and medical devices
- Clinical research compliance
- Employee benefits and executive compensation
- False Claims Act and whistleblowers
- Government and corporate investigations
- Health information technology and electronic medical records
- HIPAA/HITECH, privacy and data security
- Managed care, health plans and insurers
- Medicare/Medicaid reimbursement counseling and litigation
- Patent litigation
- Pharmaceuticals
- Regulatory and compliance
