Haynes and Boone is one of the most active U.S. law firms operating in Mexico, with a growing list of both international and Mexican clients. Operating in Mexico City with its affiliate, Haynes and Boone, SC, it is among the largest U.S. law firms in Mexico and has been serving clients in both Mexico and the U.S. for more than 20 years. Its fully bilingual and bi-cultural Mexico City office has legal professionals licensed in Mexico and the U.S. and trained in both legal systems. We have the largest Mexico City office of any Texas-based law firm.

Our team of lawyers works seamlessly across the U.S.-Mexico border. Our clients benefit because we are both bi-lingual and bi-cultural, with an ability to understand business issues from both sides and handle matters efficiently and cost-effectively.
