Pro Bono Services

At Haynes Boone, we believe that access to justice is a foundational element of a fair and thriving society. We embrace pro bono service as a cornerstone of our professional responsibility and a key component of our firm's culture and mission. To help contribute to stronger, more self-reliant communities and to bridge the justice gap across a range of issues, our attorneys are committed to providing high-quality legal services to vulnerable individuals and organizations who lack access and financial resources.
