Haynes Boone is one of the most active U.S. law firms operating in Mexico with a growing list of both international and Mexican clients. Operating in Mexico City with its affiliate, Haynes Boone, SC, it is among the largest U.S. firms in Mexico and has been serving clients in both Mexico and the U.S. for 30 years. Its fully bilingual and bi-cultural Mexico City office has legal professionals licensed in both Mexico and the U.S. and trained in both legal systems.

The firm has experience in a wide variety of Mexican business sectors. Our strong presence in Mexico is grounded in our extensive network of contacts in Mexican government, media and business. The firm has a diverse breadth of experience in projects-based finance, particularly in developing countries throughout Latin America, where regional development and sustainability rely on industrial growth in areas such as mining, transportation and energy industries.

Our legal professionals in the Mexico City office are highly experienced in cross-border and domestic transactions in many practice areas, including aviation, banking and finance, corporate/M&A, capital markets and securities, energy, franchising, hospitality, labor and employment, litigation and arbitration, maritime/shipping, nearshoring, project development and finance, real estate, trade and tax.
