

2021 Regulatory Update for Investment Managers and Private Funds

January 26, 2021 Evan Hall

PRACTICES Investment Management, Fund Formation and Management, Private Equity

The purpose of this update is to remind investment advisers, investment managers, private funds, commodity pool operators and commodity trading advisors about various annual and periodic regulatory, legal, reporting, compliance and other obligations, considerations and requirements, including required filings and reports with due dates fast approaching. This update does not purport to be a comprehensive or exhaustive overview of all applicable compliance, reporting, regulatory, legal or other obligations that are or may be applicable to investment advisers, investment managers, private funds, commodity pool operators and/or commodity trading advisors.
