Welcome to the 2024 edition of the Haynes Boone IP Beacon® Year in Review. We are pleased to highlight key intellectual property (IP) news from 2023 and some of our representative IP client successes and publications over the past year to support your business success in 2024.

Our patent trials team represented clients in 30 inter partes reviews/PTAB proceedings filed, and our patent prosecution team filed over 2,200 U.S. patent applications and helped issue over 1,500 U.S. patents and even more foreign patents in 2023.

We invite you to read on for a review of important IP-related cases, updates on some of our firm's IP litigation efforts and key deals, and a few of the awards our intellectual property team is most proud of from 2023.
