

# Media, Entertainment and First Amendment Newsletter September 2024

---

September 13, 2024 Laura Prather, Reid Pillifant, Michael Lambert, Lee Johnston

---

**PRACTICES** AI and Deep Learning, Anti-SLAPP and First Amendment Rights, Media and Entertainment Litigation, Social Media, Media Entertainment and Sports

---

Haynes Boone's Media, Entertainment and First Amendment Practice Group has extensive experience representing major media clients across all platforms – including newspapers, magazines, broadcast and cable networks, production companies, and online content providers – in high-profile disputes. Our team brings deep knowledge to a broad range of matters, including libel, intellectual property, and access to information. Our lawyers present frequently on issues facing the industry and have been leaders in drafting legislation to address cutting-edge issues affecting free speech and transparency.
