

New Publication Shipbuilding New Risks in a Changing Market

May 1, 2022 William Cecil

PRACTICES Shipping, Ship Construction and Conversion, Shipping Dispute Resolution, Ship Sale and Purchase

** Co-authored by Nick Wood and Nick Pugh, Affinity*

Haynes Boone and shipbroker [Affinity](#) are pleased to announce the publication of a new booklet focusing on the challenges and risks associated with the changing shipbuilding market.

In this publication, Affinity discuss the current state of the shipbuilding market and consider the implications for the industry longer term and Haynes Boone discuss the legal issues that may arise in the current shipbuilding market, including causes of shipbuilding disputes and legal challenges associated with shipbuilding capacity constraints.

Read the publication [here](#).
