We are pleased to highlight some of our representative intellectual property-related client successes and publications over the past year that might be relevant to your business success in the coming year. Our IP department has continued growing and extends from California through Texas, Colorado, and Illinois to Washington, D.C. and New York. Our IP team now includes 113 IP lawyers, 11 patent agents, and 4 scientific advisors. We represented clients in 74 *inter partes* review/PTAB proceedings that were filed in 2018, and our patent prosecution team filed over 2,300 U.S. patent applications and helped issue more than 1,650 U.S. patents just in 2018. We also helped close the IP issues in dozens of financings, M&A transactions, and joint venture/licensing arrangements.
