

Cecil Discusses New Shipbuilding Investments in U.S. on Trade Winds Wavelengths Podcast

July 29, 2025 William Cecil

PRACTICES Shipping, Ship Sale and Purchase

For the first time in nearly five decades, a shipping company has ordered a US-built LNG carrier. Haynes Boone Shipping Partner [William Cecil](#) joined *Trade Winds*' Wavelength podcast to discuss the future of shipbuilding in the U.S., the likelihood of future investment and the potential workforce issue.

Listen to Cecil's segment below.
