Specialty Chemicals Magazine mentioned Haynes Boone Partners Ann Al-Bahish and [Mary Mendoza](#) and Senior Counsel [Jeff Civins](#) in an article about their presentation at the Society of Chemical Manufacturers & Affiliates (SOCMA) annual meeting. The presentation was titled “PFAS: the Fast-Changing Regulatory and Litigation Landscape.”

Here is an excerpt:

The expressed reason for expanding the event from half a day to two and a half was to present a timely and substantive programme.

That goal was accomplished consistently through the event, most notably in the PFAS session presented by Jeff Civins, Ann Al-Bahish and Mary Mendoza of law firm Haynes Boone. The tag team presentation included live updates as developments in Congress progressed.
