PRACTICES Energy Finance

---

Haynes Boone Partner [Kraig Grahmann](#) was quoted in a *Texas Lawbook* article on recent high-price transactions.

Read an excerpt from the *Texas Lawbook* article below:

Haynes Boone also came out with its oil and gas borrowing base survey this past week, which revealed increased interest in financing new wells in an otherwise tight reserve-based lending market. “[That] is a change from prior years where lenders closely scrutinized developmental capital expenditures,” partner Kraig Grahmann, head of Haynes Boone’s energy transactions practice Group, said in a release.
