

Haynes Boone Antitrust Attorney Featured on Good Morning America

May 24, 2024 Bill Morrison

PRACTICES Antitrust and Competition

The U.S. Department of Justice accused Live Nation Entertainment of violating antitrust laws for the way it handled ticket sales and promotions for music and sporting events.

The story received widespread national attention, and Haynes Boone Antitrust Partner [Bill Morrison](#) spoke with ABC's "Good Morning America" to discuss the lawsuit and what it means for both artists and consumers.
