**PRACTICES** Insurance Recovery, Privacy and Cybersecurity

---

Haynes Boone Insurance Recovery Associate [Greg Van Houten](#) appeared on the most recent episode of *Insurance Journal's* “Insuring Cyber Podcast.”

Greg and host Elizabeth Blosfield discussed the effect of the SEC’s new cyber disclosure rules, including what insurers and public companies should know about the new rules. Read Greg’s thoughts on the topic [here](#), and listen to the podcast [here](#).

Twice per month, Greg also publishes his thoughts on best practices for insurance policyholder advocates in his content series, [Policyholder Playbook](#).
