

Kit Addleman on CNBC: The SEC Approves of Bitcoin ETFs

January 16, 2024 Kit Addleman

PRACTICES Investment Management, Bitcoin Mining Companies, FinTech Virtual Currency and Blockchain, Regulatory Compliance

Haynes Boone Partner [Kit Addleman](#) was interviewed by *CNBC* on the SEC's approval of Bitcoin ETFs and what the decision could mean for other crypto ETFs.

"My reaction to the approval was one of delight," Addleman said. "The SEC finally found the light after being admonished by the courts that it needed to take action and justify any denial."
