*Bloomberg Law* quoted Haynes Boone Partner [Stephen Pezanosky](#) in an article about how Arsenal Energy Holdings LLC's reorganization plan sped up the process of Chapter 11 after only a few days of bankruptcy.

Here is an excerpt:

Arsenal Energy Holdings LLC, a Wexford, Pa.-based natural gas producer, exits Chapter 11 after a speedy 10-day bankruptcy and over the objection of a federal watchdog.

"The speediness of the case is unusual, but not unprecedented," Stephen M. Pezanosky, a partner with Haynes Boone, in Ft. Worth, Texas, told *Bloomberg Law*. "Prepack Chapter 11 cases can get through the courts quickly if all the proper work is done before the filing," he said. ...
