

ACA Reporting Guide and Final Forms

October 7, 2016

The IRS has issued a guide for electronically filing ACA information returns (*i.e.*, Forms 1094/1095). Employers who submit their own Forms 1094/1095 through the AIR System may want to review [this guide](#) in preparation for filing in January 2017. The IRS also issued the 2016 [instructions](#) and final forms for Forms [1094-B](#) and [1095-B](#), with minor changes from the 2015 versions.
