

ACA Section 1557 and Nondiscrimination in Health Programs and Activities

July 28, 2016

In May, we provided information about the release of final HHS regulations implementing ACA Section 1557 and their potential effects on healthcare providers, insurers, and employer-provided healthcare coverage. Chris Beinecke wrote an article discussing these implications in greater detail. A link to this article, which was recently published in the *Dallas Business Journal*, is available? [Äjhere](#).
