

## Health Care FSA Contribution Limit Increased for 2017

---

November 11, 2016

---

---

On Friday, October 25, the IRS released Revenue Procedure 2016-55, which increases the maximum amount an employee may contribute toward a health care flexible spending account through salary reduction to \$2,600 for 2017. Rev. Proc. 2016-55 is available [here](#).
