

HHS, DOL, and Treasury Issue Proposed Regulations Regarding Summaries of Benefits and Coverage

January 2, 2015

Under the Affordable Care Act, plans must provide a "Summary of Benefits and Coverage" (SBC) under certain situations. The U.S. Departments of Health and Human Services, Labor, and the Treasury issued joint proposed regulations that clarify when and how the SBC must be provided and address the content of the SBC. They also issued a proposed revised SBC template and proposed revised uniform glossary to be effective for plan years beginning on or after September 1, 2015. The proposed regulations are available [here](#). The revised template is available [here](#).
