

In-Depth Look at IRS Forms 1094 and 1095 for 2016 ACA Reporting

October 27, 2016

Earlier this month, we provided information regarding the IRS's release of final Forms 1094 and 1095 and instructions for the 2016 Affordable Care Act ("**ACA**") reporting year, which is available [here](#). A more in-depth look at the changes to the ACA's shared responsibility reporting requirements is available on our new companion blog, [HB Health and Welfare](#). HB Health and Welfare provides more details regarding health and welfare benefits topics of interest, and also provides information about upcoming speaking engagements by Haynes Boone's benefits lawyers.
