

IRS Releases Interim Summary of its Findings from its 401(k) Questionnaires

February 16, 2012

An IRS report details the interim findings from the surveys the IRS issued to plan sponsors and provides information regarding different aspects of 401(k) plans being offered. It also indicates that many plan sponsors are not aware of the resources available to plan sponsors on its [website](#)?
and in general. The summary is available on the IRS [website](#).
