

Medicare Part D Notice Required Before October 15

October 14, 2013

Prior to October 15, health plans must distribute the Medicare Part D Annual Notice of Creditable Coverage. The notice informs participants whether the plan's prescription drug coverage constitutes creditable or non-creditable coverage. Employers must provide the Annual Notice of Creditable Coverage to all Medicare-eligible participants and dependents. The Centers for Medicare and Medicaid Services has posted forms and instructions for providing this notice at the following [link](#).
