

New ISS FAQs Regarding its 2012 U.S. Compensation Policy

February 9, 2012

Institutional Shareholder Services (ISS) released new FAQs on January 25, 2012. The FAQs cover ISS policy on pay for performance, management say-on-pay responsiveness, and equity plans. The FAQs are intended to provide high-level guidance regarding the way in which ISS Global Research Department will generally analyze certain issues in the context of preparing proxy analysis and vote recommendations for U.S. companies. The FAQs can be found [here](#).
