SEC Proposed Rule Requiring CEO Pay Ratio Disclosures

October 3, 2013

As mentioned before, the SEC recently released a proposed rule that would require public companies to disclose the median annual total compensation of all their employees and the ratio of such median to the annual total compensation of their CEO.?Ã¡ This requirement is commonly known as the ?ÃÂ£pay ratio disclosure?ÃÂ¥ requirement.?Ã¡ You can find our recent alert discussing the proposed rule **here**.
