

HB Media Minute - Episode 19: Recent Developments in Data Scraping

October 12, 2021 Lee Johnston

PRACTICES Intellectual Property Litigation, Privacy and Cybersecurity, Media and Entertainment Litigation, Intellectual Property, Media Entertainment and Sports

We're joined today by Haynes Boone Partner [Lee Johnston](#) who is based in our Denver office and has a national trial practice that includes patent, copyright, trademark, and trade secret litigation. In this episode, Lee will talk about data scraping, a growing and controversial practice that has been the subject of recent, high-profile litigation.
