Twelve Haynes Boone lawyers have been selected as stand-out talent for the 2019 Acritas Stars directory. This prestigious recognition is unique in that it is based on client nominations and interviews.

Acritas maintains a database of lawyers who have been commended to Acritas by senior in-house counsel in large organizations. Acritas interviews in-house counsel on an ongoing basis about the legal market in their global SharpLegal study. The survey asked participants to name exemplary outside counsel with whom they had worked and to describe the particular characteristics that qualified these individuals as outstanding.

The following Haynes Boone lawyers have been named Acritas Stars:
