Haynes Boone has one of the largest Latin American/Caribbean practices among the *AmLaw 100* law firms, with approximately 60 lawyers serving clients from our Dallas, Houston, Mexico City, New York, London, Washington D.C., and Austin offices. Many of the firm’s lawyers are native speakers or fluent in both English and Spanish and are comfortable working with civil law and international law concepts. They are experienced in all Latin American and Caribbean markets and have helped clients navigate and complete some of the most ambitious and challenging projects involving transportation, real estate, infrastructure and energy.

Haynes Boone, SC, the firm’s fully-integrated Mexico City office, was formed in 1994, with lawyers advising on Mexican Law. The firm is unique in having permanent senior Mexican lawyers based in its U.S. offices and conversely having an American expatriate working in its Mexico City office, thereby providing integrated working teams from both its U.S. and Mexican platforms.
