Seven Haynes Boone's lawyers are included in the 2023 California *Super Lawyers* and *Rising Stars* directories.

Published annually by Thomson Reuters, *Super Lawyers* is a rating service of outstanding lawyers who have attained a high degree of peer recognition and professional achievement. The selection process includes independent research, peer nominations and peer evaluations of lawyers in more than 70 practice areas. Of those nominated, only 5% of the total lawyers in the jurisdiction can be selected for inclusion.

To be eligible for inclusion in the *Rising Stars* directory, which follows a similar selection process as *Super Lawyers*, a candidate must be age 40 or younger or in practice for 10 years or less. No more than 2.5 percent of lawyers in a state are chosen as *Rising Stars*.
