April 22, 2022 Barry Buchman

PRACTICES Insurance Recovery, Litigation

Haynes Boone Partner [Barry Buchman](#) has been selected to serve on *Law360's* 2022 Insurance Authority Specialty Lines Editorial Advisory Board. Barry is widely recognized as a leading policyholder insurance lawyer who has successfully litigated significant insurance coverage cases around the country.

The 10-member advisory board, which includes partners at prominent U.S. law firms, will provide both feedback to Law360 on its coverage and insight into how best to shape future coverage.

A partner in Haynes Boone's Insurance Recovery practice group, Barry represents policyholders in a variety of complex insurance coverage matters, and he has developed a particular niche handling significant disputes under specialty lines insurance policies, including director-and-officer ("D&O") policies and professional liability/errors-and-omissions ("E&O") policies. In that regard, Barry has successfully litigated issues of first impression regarding coverage under D&O policies for merger-and-acquisition claims, such as the scope of the "bump-up" exclusion and the scope of "control person capacity" endorsements. He also is handling a big case for a major financial institution regarding the scope of coverage under "Bankers Professional Liability" policies, a type of E&O coverage specific to financial institutions. Barry regularly publishes and speaks on insurance coverage issues, and he has been quoted in leading publications such as the *Wall Street Journal*, *National Law Journal*, and *Business Insurance*.
