Haynes Boone has one of the top-ranked intellectual property (IP) practices in Texas, according to the *Chambers USA 2021* rankings (Chambers and Partners).

Haynes Boone's Intellectual Property Practice ranked among The Top Eight in Texas in the 2021 list.

*Chambers* shared feedback about Haynes Boone's IP team from market sources, who commented:

- "The firm has highly skilled patent attorneys and agents."
- "It is an extremely strong team and a one-stop shop for virtually all issues."

Partners [David McCombs](#) and [Russ Emerson](#) ranked among the best in Texas in IP in 2021, and *Chambers* ranked the following lawyers as leaders in Texas in IP: Trademark, Copyright & Trade Secrets: [Purvi Patel Albers](#), [Jeff Becker](#), and [David Bell](#).

*Chambers* shared praise from clients and sources about Haynes Boone's ranked IP lawyers:

**Albers:** "Purvi is very good at what she does."

**Bell:** "He is an exceptional IP lawyer - organized, detailed and cost-effective."

**McCombs:** "David is brilliant and very client-focused." "An excellent IPR practitioner who is calm, rational and has an excellent understanding of the law."

Haynes Boone has more than 120 IP litigators and transactional lawyers across the U.S. and one of the largest IP practices in Texas. The team encompasses patent and trademark lawyers, as well as experienced trial lawyers who handle cases in federal courts and before the U.S. Patent and Trademark Office. Haynes Boone is one of the nation's most active firms in PTAB trials, with an IPR success rate consistently among the highest of the Top 10 law firms representing petitioners. (Docket Alarm, 2017).

The trademark lawyers handle brand management, including worldwide clearance and filing initiatives, enforcement in court, social media advising, and cybersquatting and Internet issues. They have filed more than 10,000 patent applications in the past five years in technologies as diverse as medical devices, semiconductors, nanotechnology, oil field equipment and compositions, operating systems, networking equipment and wireless communication.
