

Energy Deal Lawyer Jeremy Kennedy Joins Haynes Boone

August 5, 2022 Jeremy Kennedy, Jeff Nichols, Will Johnson, John Craven

PRACTICES Energy, Power and Natural Resources, Downstream, Energy Finance, Joint Ventures, Mergers and Acquisitions, Midstream, Oil and Gas, Oilfield Services

[Jeremy Kennedy](#) has joined Haynes Boone as a Houston partner in the firm's Energy Transactions Practice.

He previously worked at Shearman & Sterling LLP, where he was a partner and member of the firm's Global Energy Industry Group. Kennedy is a longtime colleague of [Hugh Tucker](#), who joined Haynes Boone in July from Shearman & Sterling, where he was a Lead Industry Coordinator for Energy.

"We are thrilled to add another lawyer with Jeremy's skill and experience handling complex energy transactions on a global basis," said [Jeff Nichols](#), co-chair of Haynes Boone's Energy Practice Group. "He further strengthens our Energy Practice, which has long been one of the strategic pillars of this firm."

Kennedy focuses on upstream, midstream and downstream transactions, including acquisitions, divestitures, joint ventures, and project development. His clients include oil and gas producers, operators, petrochemical manufacturers, oil field services companies, and energy financiers.

He says he was attracted to Haynes Boone because "energy is part of its DNA and long-term strategy, as evidence by its deep and broad energy bench and established presence as a market leader. Haynes Boone's strong culture and the structures it has in place to encourage collaboration between lawyers was also very important to us. We want to be at a firm where our team can be happy and thrive."

Kennedy is joined at Haynes Boone by [Will Johnson](#), a former Shearman & Sterling associate in the firm's Project Development and Finance Practice. Haynes Boone Associate [John Craven](#) also joined the firm in July from Shearman & Sterling.

Haynes Boone's Oil and Gas Practice represents domestic and foreign public and private companies that conduct operations across the country in the domestic resource plays and shale

plays (including the Midland and Delaware Basins, Eagle Ford, Barnett, Haynesville, Wolfberry, Marcellus, Utica, Niobrara, Woodford, and Bakken/Three Forks) and internationally. Haynes Boone received the highest ranking, National Tier 1, for its Oil & Gas Practice in the 2022 *U.S. News & World Report* and *Best Lawyers* "Best Law Firms" directory.

Haynes Boone is an international corporate law firm with offices in Texas, New York, California, Charlotte, Chicago, Denver, Washington, D.C., London, Mexico City and Shanghai, providing a full spectrum of legal services in energy, technology, financial services and private equity. With 600 lawyers, Haynes Boone is ranked among the largest U.S.-based firms by *The National Law Journal*, *The American Lawyer* and *The Lawyer*. It was recognized in the BTI Consulting Group's 2022 "A-Team" report, which identifies the law firms that in-house counsel commend for providing superior client service.
