Harrity Patent Analytics recognized Haynes Boone on its list of the top patent firms for 2018. Haynes Boone ranked 21st out of 722 patent law firms on the list, with 1,407 patents issued.

The rankings were based on the total number of U.S. utility patents that were issued in 2018 where the patent firms were listed on the front of the utility patents.

“The Haynes Boone Patent team is all aces (and tens), having been recognized for its #21 ranking in 2018 U.S. patent application filings,” said [Jeffrey Wolfson](#), partner and chair of the Patent Prosecution Practice Group.

The firm’s patents practice provides clients with a full range of services to protect and profit from their intellectual property. The lawyers routinely handle patent prosecution – they filed more than 11,000 applications in the U.S. and abroad in the past five years. They also offer sophisticated counseling and portfolio management, as well as representation in post-grant proceedings at the U.S. Patent and Trademark Office (USPTO), litigation in federal courts and cases before the U.S. International Trade Commission (ITC).

Haynes Boone is an international corporate law firm with offices in Texas, New York, California, Charlotte, Chicago, Denver, Washington, D.C., London, Mexico City and Shanghai, providing a full spectrum of legal services in energy, technology, financial services and private equity. With more than 550 lawyers, Haynes Boone is ranked among the largest U.S.-based firms by *The National Law Journal*, *The American Lawyer* and *The Lawyer*.
