On Sunday, June 30, a team of lawyers and staff from the Haynes Boone London office took part in a 5K charity run around Trent County Park, North London, to support [Noah's Ark Children's Hospice](#).

Noah's Ark is a community-based hospice service that provides support for children and young people with life-limiting or life-threatening conditions and their families in North and Central London and Hertsmere.

The charity run has become an annual event for the Haynes Boone team, which this year expects to raise more than £1800 in donations for the agency. The runners from the firm included Myles Mantle, [Jonathan Morton](#), Nikolai Santamaria, Ryan Deane, Phoebe Anderson, Craig May, Abijah Guzman, Siavash Abbasi, [William Cecil](#), Tracey Ludlow, [Amanda Larrington](#), Maren Strandevold and Emily Fuller. Some of the runners' children participated in the race, as well. All participants enjoyed being showered with a rainbow of powder paint along the route.
