Haynes Boone represented Infrastructure Services Group (ISG) LLC in its sale to Azuria Corporation, a leader in infrastructure maintenance, rehabilitation and technology-enabled water solutions.

The acquisition encompasses ISG's partner companies: Mr. Rehab LLC, Green Mountain Pipeline Services LLC and Inland Waters LLC. The companies will join Azuria's portfolio with the same employees and facilities in place.

"We have built a very special team across the companies of ISG. As a part of Azuria, our companies look forward to building on our momentum and gaining significant operational efficiencies and access to best practices," ISG CEO Mike Sisk said in a prepared statement. "Our teams can now leverage the expertise and product lines of Azuria's entire portfolio to maximize business growth and gain exposure to unprecedented career opportunities."

Mergers and Acquisitions Partner Brent Beckert led the deal with support from Associates Eli Brook and Janet Wyse. The cross-practice team included assistance from:

- Employee Benefits: Scott Thompson, Tiffany Walker and Isabella Blanes
- Tax: Danielle Marr
- Intellectual Property: Gavin George and Tanner Luttrull
- Labor and Employment: Mini Kapoor, Michael Gaston-Bell and Sean Lewis
- Real Estate: Brad Holdbrook and Michael Coleman

Haynes Boone's M&A Practice Group has comprehensive experience handling middle-market deals, having helped clients close more than 500 transactions in the last five years, with an aggregate value exceeding $50 billion. The firm routinely represents private equity firms, closely held corporations, founders, large financial institutions and Fortune 500 public companies.
