

Haynes Boone Advises Kore Potash on Fundraising Round

March 21, 2025 Nick Davis, Ravina Mahajan

PRACTICES Corporate, Corporate - London, Capital Markets and Securities

Haynes Boone acted for [Kore Potash](#) on its fundraising by way of a placing and direct subscriptions of new ordinary shares. The potash exploration and development company, whose flagship asset is the 97 percent-owned Sintoukola Potash Project (Kola Project), is located within the Republic of Congo.

This transaction is the [second in the last month](#) for the London Capital markets team [seven-attorney team](#) that joined the firm in February. The new group has expanded Haynes Boone's capital markets capabilities with decades of experience advising on high-profile deals across various markets in the United Kingdom and globally.

Kore Potash is an advanced stage mineral exploration and development company that is incorporated in England and Wales and listed on AIM, a market operated by the London Stock Exchange, the Australian Securities Exchange (ASX) and the JSE Limited (JSE) in South Africa.

Haynes Boone Capital Markets Partner [Nick Davis](#) led the deal team along with Associate [Ravina Mahajan](#).

"It was a great pleasure to act for Kore on this important transaction as they advance the construction plans for the Kola project," Davis said. "We look forward to assisting Kore as they continue towards future milestones."

Haynes Boone's [Capital Markets](#) practice has played a leading role in numerous IPOs, reverse mergers, acquisitions, follow-on offerings and PIPE financings in recent years across sectors including technology, life sciences, energy and financial services. The firm provides comprehensive advice to clients trading on all major U.S. securities exchanges, over-the-counter markets and many foreign markets on a full range of securities transactions and reporting matters.
