Haynes Boone was named “Law Firm of the Year - Startup and Emerging Funds” at the [Hedgeweek 2025 European Awards](#). The awards recognize “excellence in the fields of fund performance and service provision.”

Partner and Head of Hedge Funds and Regulation in Europe [James Tinworth](#) accepted the award on behalf of the firm at a ceremony held in London.

“I am grateful to our clients, particularly for their fantastic supporting testimonials, and to all who voted for us to take home the award,” said Tinworth.

This recognition comes after the launch of the firm’s [Hedge Fund Launch Guide \(UK\)](#), created as a useful introduction to the process of bringing a new hedge fund to market.

The [Investment Management Practice Group](#) provides assistance with the formation and on-going operation of investment funds engaging in a broad spectrum of investment activities, from general investment in listed stocks to targeted acquisitions in a wide variety of industries, including in technology, digital assets, energy, real property, venture, businesses and investments. The team represents both domestic and offshore investment vehicles and serves as lead outside counsel to numerous investment funds who, combined, have tens of billions of dollars in assets under management. The London team has unparalleled experience acting as cross-border counsel to U.K. and European fund managers who want to access capital across the globe.
