Managing Intellectual Property has recognized Haynes Boone's Trademark Practice Group and five of its trademark lawyers as *IP STARS* in the 2021 directory of the leading intellectual property (IP) firms and lawyers worldwide.

Haynes Boone ranked among the Top 11 trademark firms in the U.S — and as one of only four “highly recommended” trademark firms in Texas — in *IP STARS* 2021.

The following trademark lawyers also were recognized in *IP STARS* 2021: [Purvi Patel Albers](#), [Jeffrey Becker](#), [David Bell](#), [Erin Hennessy](#), and Rob LeBlanc.

The *IP STARS* directory ranks lawyers and firms worldwide based on market and client feedback and independent research, including an analysis of public information, such as court or IP office data. The *IP STARS* rankings are independent and not influenced by any commercial relationship; firms and practitioners cannot pay to be ranked.

“We are honored to be considered among the nation's best trademark firms,” said David Bell, chair of Haynes Boone's Trademark Practice Group. “This ranking underscores our good fortune at having so many highly-skilled lawyers in multiple markets who collaborate to represent clients in their most sophisticated trademark matters.”

Earlier this year, Haynes Boone also was honored as one of the top 11 “National Gold Tier” trademark practices in the country in the 2021 edition of the *World Trademark Review* 1000 directory. It is the 11th consecutive year for the firm to place among the U.S. leaders in the WTR 1000, which is based on interviews with clients and trademark practitioners.

Haynes Boone is an international corporate law firm with offices in Texas, New York, California, Charlotte, Chicago, Denver, Washington, D.C., London, Mexico City and Shanghai, providing a full spectrum of legal services in energy, technology, financial services and private equity. With 600 lawyers, Haynes Boone is ranked among the largest U.S.-based firms by *The National Law Journal*, *The American Lawyer* and *The Lawyer*. It was recognized for excellence in the BTI Consulting Group's 2021 “A-Team” report, which identifies the law firms that in-house counsel commend for providing superior client service.
