Haynes Boone Partner Patricia Mastropierro has been named in *Latinvex*'s eighth-annual listing of the Top 100 Female Lawyers in Latin America. This year, Mastropierro is ranked for two practice areas: Corporate/M&A and Aviation.

Latinvex's editorial and research staff selected the leading 100 female lawyers from 61 international law firms that are involved in business in Latin America and the Caribbean.

The criteria for selection included a combination of factors such as recent track record on major deals and business, prominence of firm in Latin America, and rankings. *Latinvex*'s research was based on data provided to them by the firms, publicly available data from the firms, as well as recognition from third parties such as Chambers and Partners and the Legal 500 and M&A data from Refinitiv.
