In an era where modern technologies are speeding up the pace of invention, Haynes Boone continues to shine as a patent litigation global leader, earning recognition in Patexia, Inc.'s 2025 rankings as one of the most active and successful firms worldwide.

The intellectual property platform reviewed thousands of cases from the past five years to compile its annual report.

Haynes Boone ranked in the top 3 percent of law firms based on patent case winning percentage, and it placed in the top 6 percent based on volume of cases handled.

The report recognized five firm attorneys as patent industry leaders in the 2025 report: [Russ Emerson](#), [Stephanie Sivinski](#), [Ken Parker](#), [Jason Lao](#) and [Andrea Levenson](#).

"It's gratifying to see Patexia acknowledge our team's hard work and success," said [Jason Bloom](#), chair of Haynes Boone's Intellectual Property Litigation Practice. "We remain committed to guarding our clients' innovative creations."

Haynes Boone's Chambers-ranked [Intellectual Property Practice Group](#) features highly regarded national patent litigation teams, distinguished by their commitment to getting the best possible results for clients. The team includes first-chair trial lawyers and experienced patent lawyers with the specific technical background needed to give clients a strategic advantage.
