Managing IP has ranked 12 Haynes Boone attorneys across the country as IP STARS, recognizing their significant contributions to their respective fields spanning trademark, patent and copyright, including naming Partner [Purvi Patel Albers](#) to its Top 250 Women in IP list for the eighth time. The publication has also named Haynes Boone among the top 13 trademark prosecution firms in the United States and awarded the firm's patent practice top honors in its 2025 IP STARS directory.

The firm is also highly recommended in Texas, earning top-tier recognition across multiple categories. The firm ranks among the top six firms for patent disputes, the top five for patent prosecution, and the top four for trademark work, underscoring its strong reputation and deep bench in intellectual property across the state.

Haynes Boone's [Trademark and Advertising Practice Group](#) protects and enforces its clients' marks, which include some of the world's most famous brands. The group is distinguished by its experience in high-impact matters, such as international clearance and enforcement of marks, global trademark prosecution and protection programs, oppositions and cancellations, advertising review, trademark and unfair competition litigation, domain name disputes and social media counseling.

Haynes Boone's [Patent Prosecution and Counseling Practice Group](#) has experience in filing patents covers numerous technologies, including medical devices, semiconductors, nanotechnology, oil well technology, wireless technology, software and telecommunications networking equipment. The high volume of filings over the years has also given the group particular skill and insight into helping clients with patent reviews and reexaminations, reissues and other contested post-grant proceedings before the USPTO, including inter partes review and covered business patent reviews.
