

Financial Regulatory Roundup Newsletter July 2025

July 2, 2025 Edward Ivey, Michele Navazio, Brian Sung, Neil Issar, Matthew Howes

PRACTICES Financial Regulatory, Finance

In this edition, we explore key developments shaping the regulatory and legal landscape for financial institutions and digital assets.

The July edition of this newsletter includes:

- The Crypto Industry's Response to the CFTC's RFC Regarding Perpetuals
- Protocol Staking Activities Are the Latest Crypto Carveout
- Federal Bank Regulatory Agencies Propose Reforms to Enhanced Supplementary Leverage Ratio
- Federal Bank Regulatory Agencies Issue Request for Information on Potential Actions to Address Payments Fraud

Summer Associate Tyler Sisca contributed to this newsletter.
