Counsel [James Tinworth](#) authored an article in *Funds Europe* discussing the United Kingdom’s Sustainability Disclosure Requirements. Read an excerpt below:

In November 2021, the FCA issued discussion paper DP21/4 (Sustainability Disclosure Requirements (SDR) and investment labels) for initial views on a new SDR regime for asset managers and certain FCA-regulated asset owners and a proposed sustainable investment labelling system. The FCA then issued consultation paper CP22/20, which revised the initial proposals and set out draft FCA rules. The consultation closed on 25 January 2023.

Subsequently, on 29 March 2023, an FCA update noted that “there is broad support for the proposed regime and outcomes we are seeking to achieve, and we have received rich, constructive feedback on some of the detail”.
