

Nichols, Kaplow and Richards in Thomson Reuters: US Oil & Gas Sector 2024 in Review

February 18, 2025 Jeff Nichols, Grace Kaplow, Sam Richards

PRACTICES Energy, Power and Natural Resources, Oil and Gas

Haynes Boone Partner [Jeff Nichols](#) and Associates [Grace Kaplow](#) and [Sam Richards](#) authored an article for *Thomson Reuters Practical Law* reviewing the US oil and gas sector in 2024, including a discussion of pricing, production, export trends and recent legal and regulatory developments. The article also discusses key trends and developments in upstream oil and gas financing, especially reserve-based loans, and includes a discussion of trends and developments that may affect the US oil and gas sector in 2025.
