Are you ready to keep up with the latest tips and trends in corporate tax law? Haynes Boone's Business Planning and Tax Practice Group brings you our Tax Break newsletter, aimed at delivering recent tax highlights and practical tax strategies straight to your inbox periodically.

Tax Break features short videos and articles on best practices as well as tax updates at the state and federal level. Some of our recent topics have included how to prepare for an IRS audit, tax guidance on cryptocurrency, and updates on the Inflation Reduction Act.

Sign up to receive our newsletter by clicking [here](#) and selecting the tax list. If you have questions about any of our topics, please contact one of our tax lawyers.
