PRACTICES Environmental

This 2016-2017 Edition of Texas Environmental Law, part of the Texas Practice Series, is a project of the Environmental & Natural Resources Law Section of the State Bar of Texas. Since last year's edition, new material has been added and/or existing material updated on the following topics:

- Legislation regulating the State Office of Administrative Hearings ("SOAH") and its handling of matters referred by the Texas Commission on Environmental Quality ("TCEQ") dealing with certain environmental permitting issues.
- Local enforcement under the Texas Water Code.
- Revised GHG PSD rules, ozone standard, RMP rules and the implementation of phase 1 of the Cross-State Air Pollution Rule.
- The rule clarifying the extent of federal jurisdiction afforded by the CWA.
- Special reporting requirements for certain accidental discharges or spills of treated or untreated wastewater at wastewater treatment facilities or collection systems.
- Permitting process for municipal solid waste.
- Conservation and land use statutes.
- Disposal, treatment and storage of medical waste.
