Partner [Clint Wilkins](#) authored an article in *Law360* discussing the recent Federal Circuit decision on *Sanofi-Aventis Deutschland GmbH v. Mylan Pharmaceuticals Inc.* and the trends around other cases involving analogous art.

Read an excerpt below:

The recent *Sanofi-Aventis Deutschland GmbH v. Mylan Pharmaceuticals Inc.* decision reminds petitioners in *inter partes* reviews of the importance of sufficiently addressing a long-standing threshold issue that seems to have been recently rediscovered: whether a reference constitutes analogous art compared with the challenged patent and therefore qualifies as prior art.
