Raghav Bajaj is a partner in the Intellectual Property Practice Group in the Austin office of Haynes and Boone. His practice focuses on patent office trials before the Patent Trial and Appeal Board (PTAB), including inter partes review (IPR) and covered business method (CBM) review proceedings, representing both petitioners and patent owners. Raghav handles all phases of patent office trials, including petition drafting, discovery, briefing, and oral argument, and has served as counsel in more than 50 proceedings.

Raghav's practice also includes preparing and prosecuting patent applications for clients in various industries and technologies, including computer hardware, computer software, networking, electronic commerce, and mobile device applications.
